**IN LOVING MEMORY**— The flowers at the front of the sanctuary this Sunday were provided by former CMCLer Tim Cleary, in loving memory of his late wife Bonnie Cleary. Bonnie and Tim were active CMCLers at the time of Bonnie's untimely death 30 years ago this week. Bonnie is also remembered in our memorial garden.

**CHURCH PICNIC IN THE PARK, AUGUST 14**— Please join us next Sunday, August 14, at 10 am in the larger pavilion #1 at Long's Park for an outdoor worship and fellowship potluck afterwards. Plenty of seating space at picnic tables underneath the covered pavilion. Bring a dish to share, and your own table service, and come enjoy community with other CMCLers. Plenty of good, close parking, bathrooms, and children's play area nearby. Masks optional.

The sweeping may be completed before 5 pm. If after 1 pm you come by the lot and both of the entrances have been cleared of the red tape tied between the trees, the sweeping has been completed and you can park in the lot.

## DRC WEEKLY ANNOUNCEMENT

---

Martin Luther King Jr.  
In [Why We Can't Wait](#), pp. 109-110.

For too long the depth of racism in American life has been underestimated. The surgery necessary to extract it is necessarily complex and detailed. As a beginning it is necessary to X-ray our history and reveal the full extent of the disease...

Our nation was born in genocide, when it embraced the doctrine that the original American, the Indian, was an inferior race. Even before there were large numbers of Negroes on our shore, the scar of racial hatred had ready disfigured colonial society...

From the sixteenth century forward, blood flowed in battles over racial superiority. We are perhaps the only nation which tried as a matter of national policy to wipe out its indigenous population. Moreover we elevated that tragic experience into a noble crusade. Indeed, even today we have not permitted ourselves to reject or feel remorse for

this shameful episode. Our literature, our films, our drama, our folklore all exalt it...

It is this tangled web of prejudice from which many Americans now seek to liberate themselves, without realizing how deeply it has been woven into their consciousness.

## COMMUNITY / GENERAL MENNONITE

**PRAYERS FOR KENTUCKY**— Please remember our family and those affected by the flooding in eastern KY. This is Jacob and Ada's community, and extended circle of community. They are safe, but the flooding is the worst recorded in the area, and has taken lives and destroyed and washed away homes, belongings, cars, businesses, farms, roads and much more. Jacob works with a statewide nonprofit community organizing group, Kentuckians For The Commonwealth (KFTC), and this is the region where he works across several counties. -Kelvin Mack and Laura Boll

**The Herm & Vince Mission: Spreading Love, Life, and Healing Through Music—** Herm & Vince (Weaver and Buckwalter) are coming to Lancaster for several music performances as part of their '22 Roots Tour. The lifelong friends and singer-songwriters reunite after meeting in 1977 at Hesston College (Kan.) The duo will perform original vocals, mixed in with acoustic guitar and piano. Songs come from music written long ago and brand new compositions: Americana, Sacred and Simple, and Inspirational. Old tunes harken back to times of innocence and searching. The new brings together honest music perspectives from forty years of living in Goodness and Joy. More details at [hermandvince.com/coming-soon-03](http://hermandvince.com/coming-soon-03) . Following a church performance in May in Goshen, IN, a congregant youth said, "If your mission is to spread life, love, and healing through music, well, it's working."

**CALL FOR QUILTS, TAPESTRIES, WALL HANGINGS!—** If you have a piece of large, vibrantly colored fabric artistry that you'd be willing to lend, I'm collecting pieces to be displayed in the large Dance Hall (the Old Main building at the York Expo Center) for use during the Susquehanna Folk Festival, on August 12–14. My objective is to create a more cozy visual atmosphere, as well as to enhance the sound quality in

the room. If you have one or more items to lend, please be sure to securely attach an index card on the back of each piece with your name and phone number, so it will get back to you safely. I'll need to collect pieces by Wednesday, Aug 10. I'm excited to see what might be available for this project - thank you in advance!
