

CMCL Fall Retreat

September 27-29, 2019

Camp Hebron

957 Camp Hebron Rd, Halifax, PA 17032

camphebron.org

Registration & Housing sign-ups: August 6-28

1. Registration— Go to communitymennonite.org and follow link on the newsfeed in the lower right hand corner of the home page for online registration. There are three options for registration:

Full time with private room, linens and towels provided. Includes five meals, bedding & linens.

Full time camping. Includes five meals, bedding & linens.

Day registration including meals of your choice.

Part time (one night) registration may be available if rooms or campsites are available after full time registrants are processed. Persons requesting part time accommodations will be put on a waiting list.

2. Housing— This year, you will also sign up for your housing assignment online. The beds available in each room are noted on the housing signup sheet. If you are a single, you can either have a roommate in mind and coordinate your housing signups or someone will sign up to room with you. The campground is about a ten-minute walk from the main campus. All sites are in a wooded area; most are close to bathroom and shower facility. There are a few very nice creek side sites but they are a further distance from the bathroom facilities.

3. Activities— You can sign yourself and your family up for extra activities throughout the weekend, like rock wall climbing, horseback riding and the annual talent show.

All children through 18 years must be registered with an adult from their household who will be present at the retreat for the entire weekend.

Cost— If possible for you, we ask that you pay the actual cost of your registration. If needed, we do offer the subsidized amounts listed, or whatever subsidy makes it possible for you to come! See contribution amounts on the online sign-up as well as the opposite side of this page. The balance is funded by the CMCL general budget. If finances are tight for you, pay what you can or nothing at all. Money is budgeted to cover expenses for whatever your current financial situation is.

Tentative Schedule

Friday

6pm: Check in, Sylvan View
