

## CMCL/LMS Church Partnership Fund

### Participation and Pledge Form

(complete and return to the CMCL Church Office by April 1)

LMS partners with congregations to provide matching scholarships funds when a partnering congregation contributes toward student tuition. CMCL supports the partnership. Friends and families of existing or potential LMS students are invited to participate in this opportunity through contributions to a designated fund (The LMS Church Partnership Fund) that is separate from the congregation's regular budget. Since funds are limited, please complete an application even if you have not completed the admissions process at LMS. It becomes difficult to add students after the support distribution has been calculated and the school have been notified of our support.

To participate, please provide the requested information:
