Fundraising Campaign

This fundraising campaign is a stewardship opportunity to make a special faith commitment above regular giving to the general fund. A faith commitment is a promise to give over a period of time as able based on continued health and God's blessing.

Faith Commitments can be of any amount; no gift is too small or too large. Commitments can extend over a two or three year period. Gifts may include appreciated stocks or other assets. Gifts may be small weekly amounts or a large once-in-a-lifetime gift.

The goal is to raise \$280,000 (\$220,000 for renovation of 311 West Grant Street and \$60,000 to improve access to our church building). By participating together as a community our goal can be reached.

Financial Faith Commitments

Reaching our goal in faith commitments will be attainable as we are **Increasing Access** to affordable housing, to community gathering space, and to our church building. Believing that God has set us on this path we trust the Lord to supply the resources we need. Prayers of discernment and wisdom will enable individuals to determine the financial support they can commit to this campaign.
